

## Musical Christmas Show

Capturing all the best of traditional family pantomime, 'The Dame Game' presents the story of pantomime from Greece through Victorian Britain to the pantomime we know and love today.

The hour long show explores the traditional pantomime in a humorous, engaging way that gives all the children the opportunity to cheer the goodies, boo the baddies, join in the songs and get totally involved in the action in the way that has become part of any modern day pantomime performance.

*"Everyone enjoyed the performance immensely. Everyone found it interesting and learnt from it."* Donbank Primary School

*"The Dame Game had an enormous appeal to all our children from P1 to P7. Each performance provided fabulous entertainment. Superb! Feedback from pupils "ace" "fantastic" Mile End Primary School*

*"The two characters kept the audience on their toes and got children actively involved on stage too and whole audience participation. It was great – well done!" Hatton of Fintray Primary School*

Book now for a performance in December at a cost of £340+ VAT.

## The Christmas Game Show

Using our ever popular interactive game show format and presented by our favourite pantomime characters, we are inviting schools to book our Christmas workshops.

Christmas traditions, games, songs, jokes and fun offered to age specific groups and run throughout the school day as required. Please contact us for further details.

#### Programme

- The Dame Game Story of Pantomime Show ✓
- Christmas Game Show Workshops
- Uncomfortable Shoes full published resource
- 'Any Reason' Assembly - 2 day input
- Dance Workshops with a Message

**A fully funded copy of the multimedia Kids on Stage resource is available for all Aberdeen City and Aberdeenshire schools. Apply now for your funded copy.**

*Uncomfortable Shoes, a Curriculum for Excellence linked resource developed in collaboration with over 3000 children to date, sensitively addresses emotional literacy, empathy, self awareness, alcohol misuse, young carers and making a positive contribution in society in the future.*

## "Any Reason" in your school

City schools are invited to apply for the opportunity of having the Live Wire team to spend a day and a half in your school working with middle or upper school staff and children on the Uncomfortable Shoes resource next term.

*'Any Reason' is an Uncomfortable Shoes assembly length musical production tackling the issue of alcohol misuse and binge drinking in the home.*

The current funding grant is limited to six schools only. Apply now.

**Closing date for application is Friday 23<sup>rd</sup> October.**

## Dance Workshops with a Message

With funding from Aberdeen City Council, we are running our first "Dance Workshops with a Message". The programme for primary 4/5 classes uses the popularity of dance as a medium to help children understand the importance of physical exercise.

In collaboration with Aberdeen City Active Schools co-ordinators, nine city primary schools have been selected for three workshops and a showcase in each school.

Apply now if you would be interested in booking these workshops in the future subject to funding availability.
